Sir/Madam,

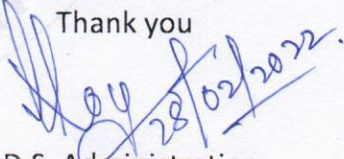

In revision to Board's earlier memo vide Admin/ 954 dated 21/01/2022 it is herein stated that an online module has been prepared for collection of vacancy data in Annexures of HM, Teachers and Non Teaching staff of schools. This is related to the preparation of Central Register of Appointment by Board. The offline collection in excel sheet may hence be discontinued and schools may be instructed to register themselves in this online module and fill up the Annexures. All Annexures shall be routed through D.I. the module for which is underway.

Please note that schools are making numerous mistakes in filling excel sheets that is why Board has tried to prepare a user friendly module for collection of accurate data.

Hence no further Annexure shall be mailed to the Board here after except through this online module.
