Sub : Information for processing of Application Forms for enrollment of Regular candidates of the Madhyamik Pariksha (S.E.),2022 and submission of requisition form to avail the board facility so has been prescribed for the Children With Special Needs, who are going to appear Madhyamik Pariksha (S.E) ,2022

Ref : The earlier circular as has been issued from this office , vide, Circular No.: EMU /C/15/A, Dated: 30.11.2021

Madam /Sir,

With reference to the above, I am directed to inform you that the number of Children With Special Needs (CWSN) who are going to appear for Madhyamik Pariksha (S.E), 2022 is much more (so have been noticed from latest UDISE report) than that of such candidates who have applied for getting the Board Accommodation prescribed (like Amanuensis / extra time / sign language interpreters etc) by the Board for such group of children. This implies that there may have been many candidates, who are in need of that support but the requisition for the same have yet to be received by the Board from the targeted schools.

In this context, your attention is drawn on the matter and you are hereby requested to re-examine the same for your school and to submit the additional requisition for the sme (if any) within 28.02.2022 positively to the Board so that admissible Board accommodation in the tune of RPWD Act, 2016 out of accommodations have so far been prescribed by WBBSE (as per enclosed Annexure -I) can be extended to all of them who are in need of that but the requisition for the same have yet not been shared with Board for availing such facilities.

This may kindly be treated as urgent.
