D.O. No.10-20/2022-Sch.4(Pt.3)

Dated 11th September, 2023

Respected Madam/Sir,

Subject: Mental Well-being of Teachers Survey-reg.

Teachers are important stakeholders in students' development and play an important role in promoting their mental health. In order to address the well-being of students, the NEP, 2020 has proposed supporting teachers in creating an effective learning environment. As teachers play a vital role in fostering students' mental health, it is imperative to understand their concerns and also acknowledge the potential impact of their own well-being on the learning environment. As you are aware, the Ministry of Education (MoE) has undertaken 'MANODARPAN' initiative, covering a wide range of activities to provide psychosocial support to students, teachers and families for mental health and emotional well-being during the COVID-19 outbreak and beyond. Among various activities which are being undertaken under the Manodarpan initiative, a Mental Well-being Survey is being taken up for Teachers across different regions of the country.

2. The survey will be conducted using the Google Form (Link: https://docs.google.com/forms/d/e/1FAIpQLSf18j3uu4OuQQCMoFapoeIBZnb18mevqfjSbFqJF63SbAtp9g/viewform?usp=sf_link). Manodarpan Cell, NCERT will get in touch with you in this regard. You are requested to kindly ask the concerned official in your organization to send the Google Form to State Government Schools across different regions in order to facilitate the collection of data. Information/responses will be filled in the Google Form by the Teachers. School authorities should ensure that the duly filled-in forms are submitted at the earliest but not later than 15th October, 2023 positively.

3. In view of the above, I would request you to take necessary steps to ensure sincere and wholehearted participation of teachers of State Government Schools in the survey. The findings of the survey will help us to plan and provide interventions to teachers.

4. This may be accorded "Top Priority".

Kind regards,

Yours sincerely,
Prachi Pandey
