Nivedita Bhawan, Salt Lake City, Kolkata – 700 091.

Sub: Conduction of State Achievement Survey, 2023 on 25th November 2023 in the select schools in class III, V, VII & X.

Sir,

The Department of School Education, Government of West Bengal has decided to conduct **State Achievement Survey (SAS), 2023 on 25th November, 2023**, like previous year, in the select schools (10 primary schools and 5 Upper Primary/ Secondary/ Higher Secondary schools per Circle) of all students in classes III, V, VIII & X to assess the understanding level of the students against the laid down Learning Outcomes Indicators and to design and develop remedial actions to achieve further improvement throughout the state.

Hence, you are requested to inform all schools not to conduct any assessment/ test/ examination/ evaluation on that day, i.e. on 25th November, 2023 as a number of schools have already been selected to act as venue, as well as a number of teachers of neighboring schools will be engaged as Field Investigators of the said Survey.

This is for your kind information and soliciting cooperation.

With thanks.

Yours faithfully,

State Project Director
