Notification Extension of Online Registration for Class IX (Session 2024)

Ref: Board Notification No. DS(C)/094/24 dated 11.07.2024

This is being informed in continuation with the previous notification, referred above, regarding the online registration of Class IX students for the session 2024, it has been noted that 35 schools have not even logged- in, 775 schools have not yet submitted their final data, and 2,445 schools are yet to submit their requisite fees, as of 12 noon on 31.08.2024.

In light of this situation, it has been decided from the Board, only keeping in mind the interest of the students, to extend the time line to complete the registration process for final submission and payment of fees. Thus, the registration website, www.wbbsedata.com, will remain open for an additional 7 days, i.e. from 1st September 2024 to 7th September 2024.

All concerned schools are therefore, again earnestly requested to submit their final data and complete the payment of the requisite fees, at the earliest, to avoid any inconvenience in future of their students.

If any further extension is warranted in the interest of the students, the Board shall consider the same only with the imposition of late-fine against all such cases of non-registration by any school.
