The Head of the Institution,
All X Class High School,
under West Bengal Board of Secondary Education

Notification

Subject: Relaxation for Countersignature Requirement for Corrections in Admission Registers for the Registration process of class IX (2023) students.

This is to inform all recognized schools under the West Bengal Board of Secondary Education that a relaxation has been granted for countersignatures on any type of correction made by the school in the Admission Register related to Registration certificate for class IX (2023) for this year only.

In light of the highly sensitive nature of corrections made in Admission Registers, it has been decided that, for 2024, countersignatures also may be obtained from the Assistant Inspector (AI) or Sub-Inspector (SI) of schools. The usual requirement for countersignatures by the District Inspector (DI) or Additional District Inspector (ADI) of schools has been temporarily kept on hold.

It should be noted that the Enrolment of Students for Madhyamik Pariksha (Secondary Examination), 2025 will be conducted via an online method. Hence, any corrections in the Admission Register must be made urgently to ensure accuracy and compliance with the online enrollment process.

This notice is issued for the information and action of all concerned schools with immediate effect.
