To
The Head of the Institution,
All X Class High School,
under West Bengal Board of Secondary Education

Notification

Subject: Verification, Correction and Editing, of Registration of students of Class IX (2024)

All recognized secondary schools are hereby notified that the verification, editing, and downloading of registration data for Class IX students for the academic year 2024 will be conducted online through www.wbbsedata.com on and from 11 AM, 11th November, 2024 to 6 PM, 20th November, 2024. The process aims to ensure the accuracy and completeness of student records in preparation for Madhyamik Pariksha (SE), 2026. Schools are directed to review, verify, and, if necessary, edit their students' registration information and download the PDF file of the finalized data for their records.

Schools are required to carefully review the registration details of each Class IX student, including name, date of birth, parents' names, photo, signature and other relevant details. If there are any discrepancies in student information, schools must correct them within the specified time frame. Note that edit option will not be permitted after the end of the notified verification period.

Participation in this verification process is mandatory for all recognized schools registering their Class IX students. Incomplete or inaccurate data submissions may lead to complications in student records, affecting their eligibility for Madhyamik Pariksha (SE), 2026.

For any assistance or queries, schools can reach out to the Examination Section of the Board by email wbbseregn9@gmail.com.
